Psalm 8

ONE: Lord, our Lord, how majestic is your name throughout the earth! You made your glory higher than heaven!

MANY: From the mouths of nursing babies you have laid a strong foundation because of your foes, in order to stop vengeful enemies.

ONE: When I look up at your skies, at what your fingers made—the moon and the stars that you set firmly in place—

MANY: what are human beings that you think about them; what are human beings that you pay attention to them?

ONE: You've made them only slightly less than divine, crowning them with glory and grandeur.

MANY: You've let them rule over your handiwork, putting everything under their feet—

ONE: all sheep and all cattle, the wild animals too,

MANY: the birds in the sky, the fish of the ocean, everything that travels the pathways of the sea. Lord, our Lord, how majestic is your name throughout the earth!

Call to Confession

Unison Prayer of Confession

ONE: God of all that is, we celebrate you as the God that formed all things in interconnected goodness, yet we sometimes forget our part in this. We set ourselves above the very thing that sustains us and gives us life. We damage ecosystems and destroy habitat. We pollute the skies and the seas. We forget the real cost of living off Earth not with Earth. We forget that as we are one with you. We are one with all of your creation.

ALL: In your mercy, forgive us. Amen.
